

Marathon Start Area: GETTING IN

The Portland Marathon Full and Half Marathons start at 7:00 a.m. (wheelchairs 6:59 a.m.) on SW 4th Ave. at SW Taylor St. The start lineup is explained below and on the map.

Participants will enter the start area at one of the designated entry points indicated by the black arrows on the map below, then proceed to the corral corresponding to the letter on their bib (based on their predicted finish

time). Guides will be available to direct participants to the correct corral. Corrals will be called to the start in waves in alphabetical order, beginning with corral A. Please be patient and adhere to the corral protocol so the event can get off to a smooth start. Your time will be accurate because of the timing tag. Be sure your timing tag is attached to your shoe per the instructions given. Remember: NO TAG—NO TIME! Also, your bib should be visible (on your front) at all times throughout the event.
